

# Happy Labor Day MOM!

**Labor Day:** a day set aside for special recognition of working people...*that's you Mom!*

**Labor:** the physical activities involved in giving birth...*I'm sure that was you, too. Dad couldn't have handled that.*

**To sum it up...**this day is set aside for special recognition for you, for working so hard doing the physical activities involved in giving birth to me!

*Thanks MOM!*
